

Why Seantae Adreon Adams is the greatest athlete of all time

By: Julian Reyes and Samuel Quinonez

History

Seantae grew up in the infamous streets of O-Block and played Basketball and Football with childhood friend Chief Keef to cope with the hard lifestyle of the streets. His skills got him noticed by ASU where he got a full ride to play both Football and Basketball. Throughout his career he was compared to the likes of Tom Brady and Kobe Bryant. When he started his college career he was so good he played Division 0 in basketball instead of Division 1 just to give the other players a chance to be noticed by teams. He played D1 football as a quarterback where he won multiple NCAA football titles. He got an offer from the Seattle Seahawks to start as their QB but turned it down to play Basketball in Ukraine. He is currently considering joining the G league team known as Raptors 905 located in Mississauga.

Why we care

When you think of the greatest athletes of all time, there are obvious names that stick out such as LeBron James, Tom Brady, Lionel Messi, Babe Ruth, and Mike Tyson. All of these are amazing athletes but Seantae hasn't even reached his prime yet and is already a better athlete than all of these men combined. We believe that he should be recognized as one of the greatest athletes of all time as these other people are.
